SPORTS MEETS DANCE. GAME ON.

SEPTEMBER 12-14 : 7:30 PM | SEPTEMBER 15 : 2:00 PM

Basin Dance Collective presents **Sport Suites**, a dance performance inspired by all the things we love (and love to hate) about sports! Sometimes humorous, sometimes satirical, sometimes biting, sometimes earnest, this show uses the intersection of sports and dance to showcase the striking similarities between these two movement genres, ultimately revealing the many shades of our universal human experience when faced with competition.

Direction and Choreography by Clare Cook
With guest choreographers Nicole Curtis, Whitney Hebert, and Sharon Leahy
